Serial No. 10/669,911 Docket No. BAC 0007 PA

\_1\_

## **REMARKS**

In the Advisory Action mailed June 14, 2005, the Examiner indicated that claim 21 would be allowable if submitted in a separate, timely filed amendment canceling the non-allowable claims. Accordingly, applicants are submitting herewith an amendment canceling claims 1, 6-8, and 15-20. Remaining dependent claims 4-5 and 9-14 have been amended so that they depend from allowable claim 21.

Applicants submit that claims 4-5, 9-14, and 21, as amended, are patentable over the cited references and in condition for allowance. Early notification of allowance is respectfully requested.

Respectfully submitted,
DINSMORE & SHOHL LLP
